OUR CLIENTS

I cannot speak highly enough of this specialist Golf Tour company. They eat, live and breath Golf, which shows in their professionalism and enthusiasm when discussing every aspect of the trip. If you ever fancy playing some of the best Links golf in England but you think the price is too high then save harder as this was the best golfing experience that our group of 16 golfers have had in 25 years. (2021)

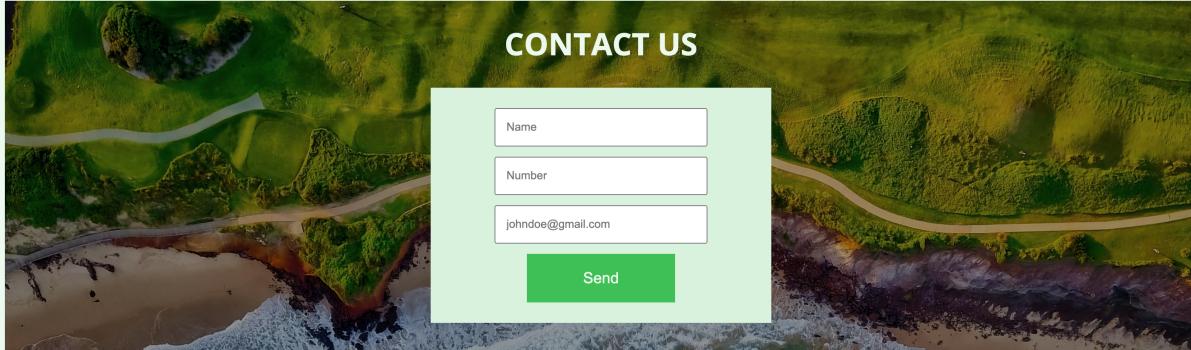

Stayce Joy

This friendly family run business arrange a golf trip around the 4 course we chose, arranged all our tee times, kept us informed about every detail. They gave us hotel choices in the area then booked our hotel. Recommended restaurants from basic to Michelin star, and trust me the selection we chose lived up to Southport Tours description. Jonny and Victoria were always on the other end of the phone to answer all our questions. We will definitely use them again for our golf trip to this iconic part of golfing Britain.
